MN Vijayakumar,IAS

21/2/2011 10.55 am

1981 Batch, Karnataka Cadre  
(relieved from the post of Chairman , KSMBL

without DPAR issuing any transfer order till today)

## Sub: Height of unfairness

Dear Sir,

I am addressing this letter directly to the Chief Vigilance Commissioner, to keep him updated with the harassment I am facing. **This letter is more important because the coded part gives in advance the height of unfairness while an inquiry is still going on.**, I am willing to send the necessary keys to decipher the code today only to the he CVC if he desires to know. I am also marking a copy of this letter along with attachments to all IAS officers of Karnataka to warn at least the honest among them about what can happen to them also if they do not raise voice against brazen corruption once protection to whistleblowers is given.

I appeared before the Parliamentary Committee examining the Whistleblowers'

Protection Bill a week back to give suggestions for modifications. I am hopeful that the Committee would at least consider some of my suggestions as I am the only IAS officer in the country to have given suggestions and oral evidence to the Committee. What unnerved me after presentations were over was the remarks made by one of the Committee Members during Tea that he had heard from the faculties at Mussoorie Academy last year that if an IAS officer has not made Rs 10 Crores illegally in the first ten years of his Service , then the feeling is that he is unfit to continue in the Service. This is the reason why majority of the IAS officers resist declaring their assets to the public. In Karnataka only 8 officers out of more than 200 have given me in writing that they do not have any objection to disclose details about their assets to the Lokayukta. Now that Bihar Government has fixed 28/2/2011 as the deadline for even IAS officers to make their assets public, the honest among you should now atleast come forward and declare your assets and

expose the corrupt. In March 2009 when I suggested to Sri. Gopala Swamy, the then Chief Election Commissioner during Observer's briefing that Observors also should declare their assets, he did not take it seriously. However, last week when I attended a National Conference on Electoral Reforms and made the same suggestion, Sri.Gopalaswamy agreed with my suggestion after some deliberation.

The Expert Committee headed by PC Hota submitted a report to GOI in July 2010. This Committee also understood the plight of honest officers. The Committee which had before it the details of how I am being harassed since 2006 did not hesitate to make the following observations in the report given to the DoPT: *One of these is the tendency to browbeat members of the All India Services through motivated action, including frequent transfers, transfers to posts which do not normally warrant posting of an officer of his seniority, suspension and initiation of Disciplinary Inquiries without adequate basis. Through such steps, State*

*Governments humiliate and harass several officers of these Services, in effect warning others what can happen to them unless they, too, toe the line... there is need to do much more because the large proportion of the **All-India Services Officers serving in connection with affairs of a state feel quite let down by the inability of the Central Government to protect their interests effectively.*** Each and every observation made above by the Expert Committee is true in my case. What is unfortunate is that the Chief Secretaries are exploiting this helplessness of GOI to harass those who refuse to remain silent against brazen corruption.

I have been writing to Sri SV Ranganath, IAS, the present Chief Secretary about the unfairness of the baseless inquiry against me - facing an unwarranted inquiry when I have been already illegally punished in the most inhuman way even before the unfair inquiry began. I wanted to document how whistleblowers who seek

help within the system are harassed. I have done enough since 2006 and further documentation has become meaningless. Even though the Cabinet Secretary himself had observed in 2004 itself that there is no forum to approach for officers harassed for taking principled stand, action was not taken against those harassing me as per that letter though I must have nearly written 100 letters to the Chief Secretary since October 2006. All the corrupt officers in DPAR since then have made sure that I am not even given a single reply but have forced me face this baseless and unfair inquiry. For all purposes I have been relieved from the Service on 19/11/2010 itself immediately after the inquiry into baseless charges began that too without the DPAR issuing any transfer order. This was done after strong evidences against two IAS officers indulging in illegal/criminal acts were repeatedly brought by me to the notice of the present Chief Secretary (all IAS officers of Karnataka were kept informed by emails about their acts). The act of relieving me without issuing transfer

order by the DPAR has also been done to harass me financially. I have not been paid salary and the reason as informed by the PO to the IA & Consultant appears to be that AG is insisting on DPAR issuing a transfer order. But the Chief Secretary is against giving me posting unless I accept his unethical and illegal suggestions made to me by him on 26/10/2009 (At that time also I was kept waiting. ). I have made it clear to the Chief Secretary that I will not even remotely think about considering his offensive suggestions even in my dreams.

Today even after 3 months neither posting is given nor subsistence salary paid by keeping me under suspension on some ground (My participation in various anti-corruption programs could have been used to keep me under suspension as suggested by myself to the present Chief Secretary or on the ground that my wife continues to express her own views against corruption without divorcing me- **Please see the attached JNJ Feb Bureaucracy Today.jpg to see her views published in the Feb 2011 issue of**

**Bureaucracy Today.)** This is not the first time I am being punished without any inquiry being held, I have been punished unashamedly, inhumanly without holding any inquiry continuously since 2006 for refusing to close my eyes to rampant corruption in whichever office I have been posted. Instead of taking action against the officers involved, baseless charges were framed after continuously mentally, physically and financially harassing me. All my written requests made in this regard since October 2006 have been deliberately ignored. I have not suppressed the fact that I am forced to face the baseless inquiry after I refused to accept the highly shocking, illegal and unethical suggestions made to me by Sri SV Ranganath, IAS on 26/10/2009. I have given the details in my letter dated 27/1/2010 which I sent to all IAS officers of Karnataka immediately after Hon'ble Justice Sri Santosh Hegde submitted his resignation.

The officers involved in framing baseless

charges were fully aware of the suppression and distortion of facts. Luckily information obtained by my wife and me show clearly the extent to which facts were distorted and suppressed, and Rules were brazenly violated with the sole criminal intention of harming me for my stand and act against corrupt senior officers. I had named some of these officers to be called as witnesses in December 2007 itself. The list included among others the present Chief Secretary, Sri SV Ranganath. I sent many letters to these officers including the Chief secretary to appear as witnesses as these officers were deliberately left out while framing charges, though in many places “as discussed”, “as spoken” etc are used. Only one officer responded immediately mentioning clearly that he had no role in the framing of baseless inquiry. I informed him about how a notification he had issued under his signature was wrongly interpreted to frame a baseless charge. I requested him to appear and give his interpretation. I did not hear from him again. I had clearly informed all those

officers that I never expected them to give any evidence in my favor. I had also clearly indicated that I have absolutely no faith in either the IA or the PO and that this aspect they should keep in mind while giving evidence as witnesses. I had clearly stated that even the evidence that they may give against me would throw light on the officers who conspired to get me killed and as such requested them to give evidence at least in the interest of whistleblowers. But none of them, including the present Chief secretary responded even after sending two postal reminders by RPAD and two email reminders. The Chief Secretary was requested to appear and give evidence as very important documents have been traced to be in his custody as per the information available. It is not clear as to what happened to those documents which were last seen with the present Chief Secretary. **A scanned copy of the letter making a final request to the Chief Secretary is attached and it would throw light on what I am going through.**

**I am also attaching a scanned copy of the RTI application filed in respect of Sri AKM Nayak.** The Chief Secretary was also requested to direct the officers whom I wanted to appear and give evidence. But none including the Chief Secretary gave any response. The way my ACR/APARs have been handled since 2006 speaks volumes about what these officers are capable of. Someone among the IAS officers of Karnataka can write a good case study for the benefit of probationers undergoing training at Mussoorie!!

A few days back a one hour program by interviewing my wife on her efforts to fight corruption was aired by a Kannada TV Channel. My wife tried to drive home the fact that though fighting corruption appears to be an impossible task she wanted to inform what honest citizens individually can do to fight corruption. What I never expected was the impact that it would have on many including some officers. In particular onowiiiawitui.

OtohbtoawiibhatPhtvtiiu . Such a thing is possible only in a State like Karnataka which is known as the most corrupt State in the country. However I would reveal the identity by sending a doubly protected message and the message can be

deciphered only after I send the second key. The CVC would have to first ask by email one key after the other by sending two emails (different email addresses) one after the other to know the identity. While seeking the second key the CVC has to formally give an undertaking to the effect that he would keep confidential the identity of the officer who has given details to me. **I would be sending another email to the CVC if he needs the decoded version by sending a return email . I am requesting the Chief Secretary to forward this email as it is to the Cabinet Secretary, GOI today only. I am sending a copy of this letter to all IAS officers of Karnataka. Once legal protection is given to whistleblowers, honest IAS officers will be challenged by the public to give details of mal-administration, corrupt practices, details of illegally acquired assets to the concerned authority. Public would surely use the RTI Act to know at least the number of IAS officers who would be coming forward to divulge details after the**

**enactment of whistleblowers law. Many officers are till now keeping quiet on the ground that they would be victimized in the absence of legal protection. In spite of legal protection if the honest officers of my cadre continue to keep quiet, it would anger the public. I request honest officers of my cadre to treat this as a serious warning and not ignore it like those who were involved in framing the baseless charges.**

Thanking You,

Sincerely

Yours

(M.N.Vijayakumar)

Sri PJ Thomas, CVC ,

Central Vigilance Commission,for immediate necessary action

Copy to

1. Sri S.V.Ranganath, IAS , Chief Secretary & Reporting Officer, GOK, Vidhana Soudha, Bangalore with a request to forward the email to the Cabinet Secretary , GOI immediately

2. All IAS officers of Karnataka

Sub: Height of unfairness

Dear Sir,

I am addressing this letter directly to the Chief Vigilance Commissioner, to keep him updated with the harassment I am facing\*. This letter is more important because the coded part gives in advance the height of unfairness while an inquiry is still going on\*. I am willing to send the necessary

MN Vijayakumar, IAS  
21/2/2011 10.55 am

1981 Batch, Karnataka Cadre  
(relieved from the post of Chairman , KSMBL

without DPAR issuing any transfer order till today)

Sub: Height of unfairness

Dear Sir,

I am addressing this letter directly to the Chief Vigilance Commissioner, to keep him updated with the harassment I am facing\*. This letter is more important because the coded part gives in advance the height of unfairness while an inquiry is still going on\*. I am willing to send the necessary
